End of Program Technical Assessment for Graphic Design Workplace Readiness Skills Assessment (for Employability Skills Standards)			Certification To Be Determined			Provider			Graphic Designer Media Specialist Production Assistant		Commercial Artist Textile Designer	

This Program of Study is based upon the requirements needed for a CTE Diploma. Academic course names may vary among school districts. All students must pass the high school proficiency exams to qualify for any high school diploma.

Electives may include arts and humanities courses or other career and technical education courses that relate to the program of study.
 Foreign Language courses are recommended if a student is planning on entering a university. (See individual university admission policies)
 CTE Assessments will be administered during the completion of Graphic Design III course.
